

The Arch Community School

ALTERNATIVE METHODS OF INSTRUCTION

1. On days that the district implements the AMI plan, the LEA is:

- ♦ Reviewing and reinforcing previously taught skills
 - ♦ Introducing new concepts
-

2.a. How will the LEA communicate the purpose and expectations of AMI to students and parents through multiple methods?

- ♦ Student handbooks
 - ♦ Website
 - ♦ Email
 - ♦ Parent/student meetings
-

2.b. When will the LEA communicate the purpose of AMI days?

- ♦ Early in the school year
 - ♦ With reminders at least quarterly
-

3. How will the LEA communicate the implementation of AMI days to students and parents?

- ♦ Social media
 - ♦ Email
 - ♦ Phone call
 - ♦ Text
 - ♦ Class Dojo
-

4. On AMI days, the LEA will use the following types of materials and assignments to effectively facilitate teaching and support learning for the benefit of students (check all that apply): *

- ♦ Textbooks
 - ♦ Library/classroom library books
 - ♦ Packets/worksheets
 - ♦ Manipulatives
 - ♦ Learning games
 - ♦ Teacher created materials
 - ♦ Assignments from online learning programs like Elevate from Reading Horizons.
-

5. On AMI days, attendance will be determined by the completion of lessons and activities in the following manner:

- Completion of lessons and activities turned in the next day of attendance
 - Electronic submission of lessons and activities on the AMI day or the next day of attendance
 - Log of electronic/web-based/app activity
-

6. The LEA provides instruction on AMI days using the following methods:

- Independent practice and application of previously taught concepts
 - App or web-based software to teach/reinforce concepts
 - Virtual instruction (Synchronous, Asynchronous)
 - Assigned reading, study or activity to introduce new concepts
-

7. The LEA provides equitable access to all students. If electronic methods will be used, the LEA is providing students with:

- Chromebook
-

8. How are students accessing the internet?

- Parent provided connection
- District provided connection (hotspot, extension on property)
